## Excellence On and Off the Stage and Court

Shiloh students are gaining not only a strong academic education; they are also strengthening their competitive edge. All of our athletes had the opportunity to participate in Sanford Power this year. Our coaches are seeing this make a difference. We had 4 teams emerge as region champs this year: Girls Basketball, Boys Basketball,

Boys Track and Baseball.

Our fine arts program also saw the highest participation and advancement in school history at state speech and music competitions. The North Dakota HS Activities Association awarded all of our activities from fine arts to athletics-seventeen programs in all-The Team

Scholar award. Our students maintained an average 3.2 GPA while participating in their activity. This is commendable and what we strive for ...Academic Excellence on a Christian Foundation.
