# SHILOH SKYLIGHT

SHILOH CHRISTIAN SCHOOL~ Academic Excellence on a Christian Foundation

## Fiddler, Jr. Premier

Over 40 seventh grade students are preparing for their performance of Fiddler on the Roof, Jr. next month. Mrs. Drevlow is ecstatic on the talent and drive of these students. A recent set build day proved to be productive in finishing in record time. We hope you can join us for this performance. Please note that all Shiloh students, faculty and staff receive free admission for the performances!

## Playground Improvements

This summer saw a new upgrade to our playground equipment. We added tire swings and new swings as well as a screen to keep the wood chips in the playground. Thank you PTO and everyone that did fundraising to make this a reality! This year PTO was able to give \$2,000 to the school library fund for the year. Preschool made over \$3,000 for their program and we gave \$15,000 to the security system upgrade.

## One Act submitted by Becky Strutz

I am so excited to be the director for the One Act Play this year! Courtney Hartleib and I have been so proud of all of the hard work these kids are putting in to bring their parts to life. It has been a joy to see the growth in each one of them through this process. We will be presenting "The Seussification Of A Midsummer Night's Dream" by Peter Bloedel at our regional competition in Hazen, on November 13<sup>th</sup>. The top two teams advance to the State Competition in Jamestown, on November 25<sup>th</sup> & 26<sup>th</sup>. This is a

fun & ridiculous comedy that has left us in tears many times at rehearsal. Please be in prayer for the actors as they look forward to competition!
