### WHAT'S TRENDING AT SKYHAWKTION?

The Skyhawkktion committee is working diligently to bring this year's Skyhawkktion into the technological age! We have been uploading pictures for weeks to present Online Bidding starting Monday, November 18. In addition to this upgrade we have added some new, fun aspects to the evening. We will feature a scavenger hunt for Preschool with a prize for completion! We have shortened the Live Auction to keep the event moving along and added a paddle raise to complete our Skyhawkktion match. We are also giving away "Gas for a Year"—a BIG THANK YOU TO RED CARPET CARWASH. You will find details on these new additions in the newsletter and online. So start today by registering to receive an invitation to online bidding Monday the 18th. Bid all week and then join us on FRIDAY, November 22 for a great evening of food, fellowship and fun!
