

January 2019

# SHILOH SKYLIGHT

SHILOH CHRISTIAN SCHOOL~ Academic Excellence on a Christian Foundation

## Welcome to 2020

Students returned to school January 2 ready to finish the second semester. The newly developed flex part of our school day is helping students get the help they need to finish well and stay eligible for their activities. Speech, chess club, robotics, basketball, wrestling, and cheer-leading are in

full swing! The girls and boys basketball teams are both doing well against their formidable opponents—each with more difficult schedules than in past years. For up to date activities check online at

<https://shilohchristian.org/>

Special Appearance

April 2 Apple Bee's 11 am-10 pm

20% of your ticket donated to Shiloh

## Spiritual Emphasis Week 2020

We are blessed to be able to have a spiritual integration every day at Shiloh. Spiritual Emphasis week allows us to dig a little deeper and challenge our students in their faith walk. This year we are blessed to be joined by our keynote speaker Timothy Eldred, with special appearances by Kyle Jorris and ND Teen Challenge.

As we approach this week please pray for our students. Pray that the Holy Spirit would work through our speakers' words and our times of praise and worship would draw our student's closer to Him as they deepen their understanding of the Lord's calling on their life.

## Skyhawkktion

Thank you to all that participated in and gave toward our Skyhawkktion event this year, We had great participation in online bidding and met our year end goal!

**Save the DATE:**  
**Skyhawkktion**
