

Shiloh Christian School

Student Activities Handbook

2022-2023

Academic Excellence on a Christian Foundation

Forward

The purpose of this handbook is to share important information and explain the rules, regulations and responsibilities to the parents and students who choose to participate in athletics and activities at Shiloh Christian School. We are proud of the variety of opportunities available to our students and look forward to the continued success and growth of our programs. The co-curricular programs at Shiloh Christian exist for the development of skills, attitudes, and self-esteem of students, and are intended to enhance the physical, spiritual, emotional, social, artistic, and intellectual growth of our students. Parents are encouraged to be positive and supportive in their relationships with their children, advisors, and coaches. It is the responsibility of the advisor/coach to manage the activity in such a manner that sound human relationships are encouraged and the rules and regulations of the North Dakota High School Activities Association (NDHSAA) are followed. A team effort by parents, school officials, and the participants is needed to achieve these goals.

Philosophy & Purpose

Our program is focused on personal growth and development that leads to well-rounded participants who are better prepared to handle life's challenges and further God's kingdom. We will look to do things the SHILOH way through: Servant leadership - Honesty - Integrity - Loyalty - Obedience - and - Humbleness. Involvement in activities may also lead to the development of goal commitment, time management, a competitive spirit and school pride. At Shiloh Christian, participation in activities is a privilege, not a right. Students who elect to participate in activities will be expected to hold strong academic standings and will be expected to demonstrate high standards of behavior both on and off school property. Our co-curricular programs are voluntary. Therefore, when a student signs his/her name to accept the code, it means that he/she voluntarily accepts it as part of his/her co-curricular endeavors while attending Shiloh Christian School.

STEP OUT

The vision of the Shiloh Christian Activities Department is to STEP OUT in order to live our faith OUT LOUD. We will look to Matthew 14: 13-36 as our guiding scripture.

Policies

All Shiloh Christian School policies and student handbook regulations, as well as NDHSAA rules and regulations, apply to student conduct while participating in activities. Violation of a policy may affect future participation in an activity. If a student is participating in an activity that is offered in conjunction with another school district, the policies of that school district will apply.

Eligibility

In order for a student to participate in activities, he/she must meet eligibility requirements set forth by the NDHSAA and Shiloh Christian School. All students at SCS who choose to participate in activities will be subject to weekly eligibility reports. Eligibility reports will be run every Monday at 8 AM. Any student who has a GPA below 2.0 at that time will not be eligible to participate in any activity sponsored by the NDHSAA or otherwise for one calendar week. This policy includes fine arts activities and productions put on by the school along with any club or organization within the school.

Students, parents and coaches will be notified if a student is found to be ineligible. If ineligible, student will not be able to participate in activities until the next eligibility report is completed. If school is not in session on the next Monday, a grade report will be completed and notification made on the next official school day. Ineligibility will remain in place until the next official school day. Eligibility reports will begin following the first 2 full weeks of classes in each quarter. If a student is found to have a GPA greater than 2.0 but less than 2.5 the student is placed on the Watch List but is still eligible. Students, parents and coaches will be notified if a student is on the Watch List.

Additionally, progress reports will be emailed to parents and students in grades 6-12 weekly following the same schedule as Eligibility Reports. Parents and students should utilize the FACTS/RenWeb portal system to monitor student performance.

Eligibility will be determined by a student's GPA under the following guidelines:

<u>Students' Grade/GPA</u>	<u>Eligibility Status</u>
GPA >2.5	Eligible
GPA >2.0 – 2.5	Eligible/Watch List
GPA of less than 2.0	Ineligible

Attendance

Students at Shiloh Christian must attend at least four full class periods to participate in any practice, competition, or function within their activity. Students are expected to attend all practices, meetings, and competitions.

Transportation

Students are required to travel to and from competitions by school-provided transportation only. An exception to this rule is if a student is injured and requires alternative transportation, or if prior approval has been given by a coach, advisor, or building administration for a student to travel with his/her parents.

Harassment

Harassment or intimidation will not be tolerated and those found guilty of such conduct may receive a disciplinary warning, suspension or may be withdrawn from school, depending on the severity of the misconduct.

disability, age, religion, marital status, or any other basis prohibited by federal, state, or local law, ordinance, or regulation. We expect all in this community, including administrators, faculty, staff, parents and students to foster positive attitudes and behaviors toward members of the Shiloh Christian School community and those outside of the community alike. Furthermore, we encourage those who experience or observe forms of harassment to bring such incidents to the attention of those who carry special responsibility for nurturing in this community. "Hear something, say something".

Alcohol, Tobacco, & Other Drugs

Shiloh Christian School recognizes that the possession and use of alcohol, tobacco, and other drugs, by students, is unlawful, harmful and wrong. Possession is defined as, "not removing yourself from the presence of drugs, alcohol, or tobacco as soon as you realize it is present". - 2. To possess, procure, purchase or receive, or attempt to possess, procure, purchase or receive any of these substances or what the student believes to be any of these substances. The student will be determined to be "in possession" when the substance is on the student's person or in the student's locker, car, and bag or when they own it completely or partially.**

- 3. To be under the influence of (legal intoxication is not required), or to use or consume or attempt to do so, the listed substances or what is represented by the student to be any of the substances.**

The policy applies to any Shiloh Christian student who is on school property, who is in attendance at school, at a school-sponsored activity, or whose conduct at any time or in any place interferes with or obstructs the mission or operations of Shiloh Christian or the safety or welfare of our students. Please refer to the Shiloh Christian Student Handbook for the full policy on Alcohol, Tobacco and Other Drugs.

Suspensions and Ineligible Students

By voluntarily participating in activities and athletics, the student and parents/ guardians recognize that a school official shall have the authority to suspend a student for any of the following behaviors. Furthermore, there are additional consequences for students involved in co-curricular activities as outlined in Section XII of the NDHSAA Constitution and By-Laws.

-Behaviors include, but are not limited to-

- 1. Possession, use, or purchase of tobacco products, regardless of the student's age. "Tobacco" is defined to include any product that contains tobacco, is manufactured from tobacco, or contains nicotine.**
- 2. Possession, use, or purchase of any alcoholic beverages. The North Dakota Supreme Court has been defined "use" as having the odor of alcohol on one's breath and "possession" is evidence of the exercise of some degree of actual dominion or control over an alcoholic beverage.**
- 3. Possession, use, purchase, or attempted sale/purchase of illegal drugs, or the unauthorized possession, use, purchase or attempted sale/purchase of otherwise lawful drugs.**

6. Any other behavior or act deemed inappropriate or punishable by school officials at Shiloh Christian

Such a suspension shall be for a minimum of one week or one event.

Sports Cautions, Considerations, and Responsibilities

Activities can be highly competitive and physical conditioning plays a major role in the preparation of the student athlete. Because of the intended demands of participation, students must observe the practice rules, procedures, and training progression that are given. This, in turn, should address the need for safety, learning, and the overall desire to succeed and enjoy the sport. A few risks will be highlighted, however, additional risks may not be mentioned, but care should be taken to follow these suggestions - Preparation for the activity: clothing, shoes, and protective equipment for your sport should fit properly and be worn during practices and contests. Remove all jewelry before participation. Individuals requiring training services should arrive early to receive treatment to avoid being late for practice. All physical problems that are chronic or may interfere with participation should be reported to the athletic trainer and coach(es). All athletes must have a physical exam form on file prior to the start of the season, and should report in sound physical condition/sport appropriate. If needed, shatterproof glasses and/or appropriate eyewear should be worn when needed. Be alert to dehydration symptoms. Students should remain well hydrated throughout the season of participation. Do appropriate warming up before the start of the activity. Horseplay with required equipment for the sport is forbidden. Assist with the equipment check at practice and game sites to insure safety. Do not overload equipment. Always be certain to observe noted limits. When practice or competition is taking place outdoors, always be mindful of pending weather conditions that could threaten safety. Proper safety procedure for individual sports will be covered by coaches in each specific activity. Emergencies Because of the nature of sports, injuries may occur. All injuries must be called to the attention of the coaching staff and athletic trainer. Some injuries may require more intense management. When such an incident occurs, the practice, scrimmage, drill, or contest should be stopped. Make sure the coach, trainer, or other site manager is aware of the problem. If necessary, additional assistance should be called. If a fire or fire alarm occurs, the site should be evacuated, with all participants moving a safe distance away from the facility

Locker Room and Practice

Students should not engage in roughhouse or horseplay, which could lead to injury. Close and lock your lockers whether you are at home or a contest on the road. Do not leave valuables out. When spikes are used for the sport in which you are participating, they should not be worn in the building. Please remove them before entering. Be alert to the surroundings to prevent any

injuries. It is the duty of the coach or advisor to supervise locker room use and to ensure that rules are being followed.

Dress & Grooming

Students who participate in extracurricular activities will be required to observe the dress code outlined in the student handbook at all times. Students are expected to dress appropriately for out-of-town trips. Coaches/Advisors may establish appropriate standards with each individual group.

Behavior & Conduct

The conduct and behavior of participants and spectators alike is closely observed in many areas of school life and is a direct reflection of themselves, their parents, the school, the organization, and their coach/ advisor. Participants shall be courteous and show respect for people and property. Unsportsmanlike conduct is not acceptable. Our participants and parents will follow proper sport etiquette. School activity programs can bring out the very best in our participants, students, and adults, or it can bring out the worst. Shiloh Christian believes that our programs are educational and that there are very important lessons in citizenship and sportsmanship to be learned in the process. Everyone has a role to play.

-Best practice and things to keep in mind-

- 1. Be a gracious host and show respect for our opponents.**
- 2. Respect the decisions made by the contest officials.**
- 3. Be an exemplary role model by positively supporting teams in every manner possible, including content of cheers and signs.**
- 4. BE A FAN, NOT A FANATIC**
- 5. Realize that a ticket is a privilege to observe the contest and support the activities, not a license to verbally assault others or be generally obnoxious**

-Actions such as, but not limited to, are NOT acceptable-

- 1. Cheering against another team.**
- 2. Cheering against opposing players or participants.**
- 3. Yelling at opposing players/coaches/spectators.**
- 4. Yelling at officials.**
- 5. Challenging officials and their judgement.**

6. Challenging coaches and their judgement.

Please see NDHSAA Minimal Behavior Expectations for further clarification on acceptable behavior. Any participant or spectator who chooses to violate these rules will be talked to by school officials and if the behavior continues will be removed from the game. Participating and spectating events is a privilege not a right. We are called to be a reflection of the Word. Our participants and spectators will represent and cheer for our school in a positive manner. Exceptional leaders accept these responsibilities, realizing that they influence many others in the school.

Athletic Insurance and Injuries

Activities can play an important role in a student's development; however, there is a risk of injury occurring during participation. We encourage all parents to have medical coverage in the event that an injury occurs while their student is involved in activities or during the regular school day. Shiloh Christian School does not provide insurance coverage for student participants. We have a certified athletic trainer on duty during some practices and at most contests, so immediate attention can be provided. If the athletic trainer is present, they will consult with the parents/guardians and make recommendations if they believe further attention is needed by a physician.

NDHSAA Eligibility

Shiloh Christian is a voluntary member of the North Dakota High School Activities Association and the National Federation. Both of these associations have developed guidelines and rules, with those listed here representing a summary of the regulations dealing with student eligibility. Most of the rules and regulations can be found in the NDHSAA Constitution and Bylaws which can be found online at their website. Your role in following the rules will ensure eligibility to participate in interscholastic activities. Not following the rules could lead to ineligibility and/or forfeiture of contests.

-Some NDHSAA rules and regulations to keep in mind-

- **Physical Exam - A student must have on file an Athletic Pre-Participation Health History Screening and Physical Examination form. This form must be completed annually. A physical is considered current so long as it has been signed by a physician after June 15.**

- **Enrollment** - A student must be enrolled in the school for which he/she competes. After a student enrolls in the 9th grade, he/she will be eligible for no more than eight semesters. The 7th and 8th semesters must be consecutive.
- **Academic Achievement** - The Shiloh Christian policy replaces the NDHSAA policy as it meets the minimum standards set forth by NDHSAA. However, any 7th or 8th grade students must be passing all classes if they are to participate on a high school team as set forth by the NDHSAA policy.
- **Amateur Status** - A participant will become ineligible in an activity if they receive compensation for participating in a contest. They will also be ineligible if they participate in activities, schools, tryouts, or games sponsored by professional athletic organizations during the season of a sport. Competing in a contest under an assumed name will also cause a student to become ineligible. Participants may accept any cup, medal, or trophy (not money) for winning or placing in a competition providing the value of the award does not exceed \$75. **Playing on Teams Outside of School** When a student is participating or under suspension in an activity during a season at a school, he/she may not play on an outside team or as an unattached individual in a non-school meet in the same sport (activity) during the school season of that same sport or activity. A student may participate at any time other than the high school season without affecting his/her eligibility. Students playing on a team outside of school may do so as an unattached individual so long as it is not the same activity during the school season. (Example: A student is on the school basketball team, he/she may not play on a non-school basketball team during the season. He/she may be on a volleyball team, and not lose eligibility.)
- **Summer Camps** - Students may not participate in sports camps during the school year but may do so during the summer months on their own. Participation in such camps for fall sports is not permitted after July 31. Students may participate on city recreation or independent teams or as unattached individuals during the summer until the opening of the high school season in that sport.
- **Transfer** - If a student transfers from one school to another without the parents moving to the new district, the student will be ineligible for varsity competition for 180 school days. If students transfer after a natural break in the school system they are eligible. (Example: after middle school or junior high school before starting high school)
- **All Star Competition** - Students shall not compete in any sport under NDHSAA jurisdiction in All Star events or in national competition without having written

permission from the NDHSAA. Participation in such contests will cause the student to lose eligibility.

- **Misbehavior During Contests - If a student is found in gross violation of the ethics of competition or the principle of good sportsmanship, he/she may be barred from interscholastic competition either as a participant or spectator, or both.**

If you have a question regarding one of the afore-mentioned regulations, or have other questions dealing with eligibility or participation, please feel free to contact the Activities Director.

Dual Activity Participation

It is the view of Shiloh Christian that it takes a special individual to effectively and wholly participate in two activities full time. If any student wishes to participate in more than one activity in any given season, that student and their parents/guardian must set up a meeting time with the Activities Director. In this meeting, the commitments and requirements will be covered and both the student and parents. Many of our students are involved in several activities which occasionally conflict with each other outside of the school day. Academic and co-curricular leaders should make every effort to work with the student to determine a positive solution that allows the student to attend part of both activities. It is the responsibility of the student to communicate with their respective coaches regarding which activity is “primary” should conflict arise, as well as when they will be at practices and events. The coaches at Shiloh understand this and will do their best to limit scheduling conflicts where possible.

Music/Athletics:

- Concert vs. practice – student attends the concert
- Concert vs. game – If concert is for a grade the student will attend the concert. If not – student’s decision
- Performance dress rehearsal vs. practice – student’s decision
- Performance dress rehearsal vs. game – game
- Concert vs. regional/state competitions – student attends competitions.

Drama/Athletics:

- Curricular production vs. game – Student attends the production
- Co-curricular production vs. practice – Student attends the production
- Co-curricular production tech rehearsal vs. practice – student’s decision

- Co-curricular production tech rehearsal vs. game – Student attends game

In the event that a state drama/music event and a NDHSAA state tournament occur simultaneously, the students, teachers, coaches and parents would work together for a decision in the best interest of the student.

Tryouts and Student Assignment Within the Program

All eligible students have the opportunity to try out for a school activity. Sub-varsity and lower-level program students need to be invited to try out for a higher-level program. Shiloh Christian believes in the positive impact of co-curricular activities and thus will make every effort to ensure that all students have the opportunity to participate, however, if the number of participants is unmanageable the head coach/advisor reserves the right to limit the roster size.

General Commitment to the Program

Each student who is involved in a school activity must have strong commitment to the program in general. Being involved will require teamwork, self-discipline, loyalty, tolerance, sportsmanship, citizenship, and perseverance.

Skill and Ability

Each student who participates will receive an assessment of his/her skills, talents, and abilities from the advisor/coach. This information will serve as a major criterion in the selection of program members and their placement within the program. Other areas participants will be evaluated may include but are not limited to: grades and eligibility, attitude, mental toughness, dedication, as well as any other area deemed suitable by the coaching staff.

Moving-Up Policy and Procedures

It is the belief of Shiloh Christian School that moving a middle school student up to participate in a co-curricular program at the high school level is an exception rather than the rule. By strictly adhering to the criteria below, it is the belief of Shiloh Christian that a middle school student who is allowed to participate at the high school level will be physically, socially, and psychologically capable of handling the situation. Shiloh Christian has a responsibility to help

students reach their full potential, and therefore a need exists to provide an opportunity for growth physically as well as mentally, socially, spiritually, and psychologically.

- Criteria for reviewing a petition of exceptional students-

- 1. Level of skill appreciatively above those of his/her peers, which will limit a student's ability to develop to his/her full potential, and/or a need exists to fill a roster at the high school level. (Note: A middle school student who is moved up to the high school level must compete on the junior varsity or varsity squad. They cannot be moved up to the freshmen or "C" squad level unless the move is made for the sole purpose of filling a roster.)**
- 2. The student must be emotionally stable and mature enough to advance to the high school level.**
- 3. The student must be in good academic standing, display a strong attendance record, and have a proven behavioral track record. (A good citizen in and out of school related activities.)**
- 4. The student must be self-disciplined and coachable.**

Parent & Coach/Advisor Communication Parent & Advisor/Coach Relationship

Both parenting and coaching/advising are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to students. As a parent, you have a right to understand what expectations are placed on your child when involved in our programs. This begins with clear communication from the advisor/coach of your child.

-Communication You Should Expect From Your Child's Advisor/Coach-

- 1. Philosophy of the advisor/coach.**
- 2. Expectations the coach has for your child as well as all the members of the group.**
- 3. Location and times of all practices, contests, performances, etc.**
- 4. Requirements: i.e. fees, special equipment, off-season conditioning.**
- 5. Discipline that might affect your child's participation.**

- Communication Advisors/Coaches Expect From Parents-

- 1. Notification of any schedule conflicts well in advance.**
- 2. Specific concerns in regard to advisor's/coach's philosophy and/or expectations.**
- 3. Transportation changes.**

As your children become involved in the programs of Shiloh Christian School, they will experience some of the most rewarding moments of their lives. It is also important to understand that there may be times when things do not go the way you or your child wishes. During those times it is important to have an open dialogue with the advisor/coach.

-Appropriate Concerns to Discuss With Advisors/Coaches-

- 1. The treatment of your child mentally and physically.**
- 2. Ways to help your child improve.**
- 3. Concerns about your child's behavior.**
- 4. Personal or family matters that may affect your child's behavior.**

Advisors and coaches are professionals. They make judgment decisions based upon what they believe to be the best for all students involved. As you have seen from the list above, certain things can and should be discussed with your child's advisor/coach. Other things, such as those listed below, must be left to the discretion of the coach. Shiloh Christian and its activities department will follow the "24 Hour Rule". Parents and students are required to wait a full 24 hours following a contest to contact coaches. This allows the coach time to de-stress, break down the game, and be better prepared for parent interaction to promote proactive interaction rather than placing either party in a reactive state. This also affords both parties time to allow emotions to settle following a contest. Please do not attempt to confront an advisor/ coach before or after a performance. Meetings of that nature usually do not promote resolution.

-Issues NOT Appropriate to Discuss With Advisors/Coaches-

- 1. Participation Selection (Examples: Playing Time, Position Selection, etc.)**
- 2. Team Strategy (Example: Play Calling)**
- 3. Other Students**

What Can A Player/Parent Do To Provide A Satisfactory Resolution?

There are situations that may require a conference between the player and coaches and in some cases the parents. These conversations are encouraged as it is the belief of Shiloh Christian that these conversations promote healthy communication and allow our students a safe space to practice self-advocacy. It is important that all parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern. Please be respectful of the advisor's/coach's family and personal time.

If an issue arises, the proper steps are as follows:

1. Student talks with coach.

If after the student speaks with the coach and a resolution still has not been met, the proper steps are as follows:

- 1. Call the advisor/coach during school hours to set up a mutually agreeable time to meet. At Shiloh Christian, we encourage both students and parents to be present during a meeting in this stage. This again promotes clear, consistent communication and an opportunity for self-advocacy.**

Lettering

- The awarding of a letter to a student may be jeopardized by violation of Shiloh Christian or NDHSAA rules.
- Middle School students may be awarded a letter if they participate on the varsity level and meet lettering criteria.
- Students must complete the season to be considered for a letter.
- Students must maintain a positive attitude, faithfully attend all practices and live up to the guidelines established by the advisor/coach.
- Students who participate in a cooperative activity will receive a Shiloh Christian letter.
- Any student not meeting the criteria for a letter, which the advisor/coach feels is deserving of the honor shall be awarded a letter.
- All coaches and advisors will have discretion to determine specific lettering requirements for their activity

Student Contact

In accordance and conjunction with NDHSAA regulations, Shiloh Christian will follow a strict no recruiting policy. Coaches and advisors alike will not be permitted to contact any prospective student until they are actively enrolled at the school. Prior approval can be obtained through clearance by the Activities Director.

Sanford and Shiloh

Sanford Health has been gracious enough to offer its services to Shiloh Christian and we are proud to promote this relationship in all capacities. Shiloh Christian will have one full time certified athletic trainer provided by Sanford Health and that athletic trainer will oversee all injuries and return to play protocol. For questions regarding the return to play protocol please refer to the Athletic Training and Return to Play section. Along with athletic training services, Shiloh Christian will be working with Sanford POWER for our student athlete development. Coaches and advisors will be working closely with the certified staff at Sanford POWER to develop schedules and programs that fit each specific activity's needs.

Athletic Training & Return to Play

Shiloh Christian will closely follow and adhere to the return-to-play protocol set in place by Sanford. The head athletic trainer will be responsible for overseeing all return-to-play cases.

Social Media Guidelines

Anyone seeking to establish a social media site that identifies Shiloh Christian School and/or the use of the Skyhawks name/logo must request permission from the Administration.

Skyhawk Booster Club Guidelines

The Shiloh Skyhawk Booster Club is a school-wide organization that oversees concessions through a Booster club coordinator with volunteer teams working sessions throughout the year.

Each Class Section will serve as one team at each grade level. For example: Kindergarten has 3 class sections so there will be 3 teams, middle/high school have 2 class sections per grade level so there will be 2 teams per grade level.

70-80 sessions need to be covered each school year. Each team will be assigned to work a minimum of 2 sessions and a maximum of 3 sessions each school year.

If the teams cannot meet their obligations then the Booster club coordinator will in conjunction with the Activities Director offer sessions to our booster teams within Shiloh: team sports, fine arts groups, student leadership groups, etc. If we are unable to secure coverage for events within one week prior to the scheduled event, we will offer the sessions to outside mission groups to raise funds for their missions.

Boosters Funds will be determined by June 30 after all sessions have been completed and accounting income and expenses have been completed. Each session worked will be given the same compensation regardless of the income of that individual event. For example: If the net profit for the year was \$10,500 we would divide by the number of sessions, 70 sessions. Each session would be worth \$150 to the team working.

The recommendation would be for the money to be used to benefit areas of operation for our school. As we move forward and special projects or needs arise, groups within the school can apply for funds. If booster teams work the sessions the allotted session amount would be deposited into their account. If an outside mission group worked they would be awarded the session amount. All questions should be directed to our Development office.
