School-Wide Newsletter

Based on parent feedback, we are working on a more mobile-friendly viewing option for the school-wide newsletter. Our goal is that the newsletter is a 'live' document - meaning we can update it should there be an error or change in info - while also making sure it's accessible and easy to read for you.

Substitute Staff & Volunteer Needs

We are seeking dependable substitutes in all staff areas - classrooms, office, kitchen, custodial, and more - to help keep our school running smoothly when regular staff are away. We also regularly need volunteers to help with athletic and activity events.

If you, or someone you know, are interested in or would like more info on subbing or volunteering, please reach out to Mr. Buchmann at bj.buchmann@shilohchristian.org or complete this [contact form](#).

(These a great opportunities for grandparents to connect with our school community) Whether once in a while or regularly, subs and volunteers are a blessing to our school community!
