**Communication Pathways**

This year, one of our goals is to create clear communication pathways so you can easily find the information you need and stay connected. View those pathways [here](#).

**Elementary Food Drive**

As part of learning to SOAR through service, Shiloh is holding a Canned Food Drive! Elementary classes will compete to collect the most canned or boxed items, with the winning class earning an extra recess. Donations should be brought to classrooms, and all items will be distributed to local food pantries. MS/HS students can participate by dropping items in a general donation box in the Commons!
