**Cash Match - up to \$100,000**

It's been a few years since we've had a cash match opportunity as part of the Skyhawkktion! One way you can help us maximize our match dollars is to check if your employer has a workplace giving program. Many organizations in our community - such as MDU - set aside dollars to match employee donations to nonprofits of the employee's choice.

**Cross Country Season Wraps Up**

The Skyhawk Cross Country team finished out the season with the state meet last Friday - congrats to all our athletes on a strong season! At state competition the Skyhawk boys team placed 4th and Cole Buchholtz had a top 20 finish, placing 13th!

**From the Desk of the AD - Leyton Lang**

What a great fall season it's been for Skyhawk athletics! Our football season has wrapped up, cross country competed at the state meet last Friday, and volleyball is gearing up for regionals in just two weeks. We're proud of the effort, teamwork, and character our student-athletes have shown across every level of competition.

We've had great fan turnouts at our home football and volleyball games and I want to encourage our entire Shiloh community K-12 to come out to support your Skyhawks - a strong fan section brings a lot of energy and that means a lot to our athletes!

Thank you to our fall sports parents who helped with ticket admissions. Your assistance helped keep things running smoothly. We'll continue to rely on parent help through the winter and spring sports and are so grateful for your partnership.

Stay tuned for details on upcoming football and volleyball shoutouts as seasons wrap up across the region and state!
