2026-2027 School Year Calendar

Planning the school calendar involves balancing many priorities: instructional requirements, student and staff feedback, and both school-wide and community considerations. Key priorities considered in developing Shiloh's school year calendar include:

- First-semester exams completed before Christmas break
- Balanced instructional days across quarters and semesters
- A full two-week Christmas break
- Staff development and teacher work days to support instruction and preparation
- Alignment with BPS when possible to support shared services and family schedules
- Thoughtful timing of conferences, early dismissals, graduation, and school breaks

While no calendar can meet every preference, please know the calendar reflects a careful, mission-aligned approach. The 2026–2027 school calendar is available on our [website](#) and in FACTS, under 'Resources.'
