

Vacation & Travel Planner

As you look ahead to family trips and special events, we encourage you to use our scheduled no-school days whenever possible. Our calendar is thoughtfully designed with built-in breaks while protecting valuable classroom learning.

Every day at Shiloh is part of your student's growth academically, socially, and spiritually. Consistent attendance allows students to fully engage in lessons, relationships, and the rhythms of our school community.

Family time matters deeply and by planning around our scheduled breaks, you can enjoy that time while also helping your child stay fully connected to the learning journey God has placed before them.

Thank you for partnering with us to make every school day count.
